TWISTED PROHIBITION 2023

If you can
keep a secret
so can we

SCANDALS, SECRETS & MISCHIEF
PROHIBITION IS BACK
IN STYLE, THIS CHRISTMAS
AT THE EASTSIDE ROOMS.

DECEMBER 2023 We're preparing for a month of forbidden pleasures and entertainment.

Leave your morals at home
& revel in our world of 1920s
decadence - if you dare!
This Christmas, step back
in time to the roaring 20s.

Join us for classic prohibition
cocktails, live performances,
photobooths and much more!

Though, it won't be anything
without a fabulously dressed
crowd, so whether you choose
glitz and glamour, or gangster
suave be sure to dress the part!

For broads and dames aka
women, flapper dress attire
is best—think drop-waist dresses
with sequins and fringe a-plenty,
paired with glitzy headpieces,
long strings of pearls,
and a feather boa!

Waved hair is also
a nice touch, as is red lipstick
and elbow-length gloves.

For cats and fellas (that's the
men!), a well-tailored tux with
a tailcoat or caramel-coloured
suit are the ultimate options—
but any suit or trousers with
braces will do.

Fedoras, top hats, and newsboy
caps are a classic touch, or make
sure your hair's slicked back
off your face. Extra points for
a pocket watch.
